Event organized within the activities before the 14th International Cartographic Conference of the International Cartographic Association (ICA), to be held in Dresden, August 29-31, 2013, and counting with the participation of the ICA Commissions on:

- Cartography and Children,
- Education and Training,
- Maps and Graphics for Blind and Partially Sighted People and
- Pedestrian Cartography.

IGU CGE

Welcome to the website of the Commission on Geographical Education (CGE) of the International Geographical Union (IGU)!

The purpose of the Commission is to promote geographical and environmental education globally. In order to accomplish this goal, the activities of the Commission include:

- publication of a journal, international research in Geographical and Environmental Education, newsletters, and conference proceedings;
- organization of international conferences;
- coordination of international and regional research projects; and
- sponsorship of the Geography Olympiad.

Members of the Commission include Professor Lex Chalmers, Commission Chair. Please follow the links to explore this site and the workings of the Commission on Geographical Education.

CHILDREN'S WORLD MAP COMPETITION

11/28/2012 | by Jennifer Day | in Geography, Mapping, Unpublished

In 2013, youth from around the globe will be participating in the 20th annual Barbara Petchenik International map competition, organized by the International Cartographic Association. The competition is open to children and youth age 15 and under and is organized into 4 different age groupings: under 8, ages 8-11, ages 12-15, and ages 16-18. The aim of the competition is to promote children's creative representation of the world, to enhance their cartographic awareness and to make them conscious of their environment.
