EXERCISE 1: LANGUAGE RELATED QUESTIONS   <previous

Questions

1. Is Latin a living or a dead language?

2. Is Swahili an official language, a lingua franca, a pidgin or creole language?

3. Produce a political map of South-East Asia and delineate on this map the various language families a toponimist would have to take account of?

4. Which countries provide toponymical guidelines?

Hint: Search for them on the UNGEGN website (section on working groups).
