

The background of the entire graphic is a detailed topographic map. It features brown contour lines indicating elevation, green areas representing vegetation, blue lines for water bodies, and black lines for roads and paths. The map is overlaid with a grid of latitude and longitude lines. The text is contained within white rounded rectangular boxes with black borders.

*WOC 2014 Lavarone*

*International Conference on Orienteering Mapping 2014*

*WELCOME*

# *The Programme:*

<b>13.00 - 13.10</b>	<b>Opening and welcome, Registration</b>	<b>Flemming Jensen</b>
