

CAREER OPPORTUNITIES

at the **European Space Agency**

Come and meet us!

Here is your chance to chat to our engineers, scientists and Human Resources representatives, as well as Hungarian companies working for ESA and find out what it is like to be right at the heart of European space activities. You can get information about the European Space Agency and ways to join us, including direct entry options and our annual Young Graduate Trainee programme.

Venue: Budapest Technical University – BME
Building „A” (1111 Budapest, Egry József utca 20-22.)
Conference Room

Time: 3rd October 2019, 9.30 – 12.30h

Registration: at zsaklin.loth@mfa.gov.hu (giving name, university, faculty, subject: „Careers at ESA”)

www.esa.int
