

Call for Submissions

The International Cartographic Association (ICA), the Vienna University of Technology (TU Wien), the German (DGfK), Austrian (ÖKK), Swiss (SGK) and British (BCS) Cartographic Societies are pleased to invite you to the **European Cartographic Conference EuroCarto 2022, 19-21.9.2022 at TU Wien, Vienna, Austria.**

Submission

We invite abstract submissions of novel research and completed or in-progress work in English, up to 800 words (according to a template). Submission is open from 31.12.2021 - 30.4.2022. Please submit your abstract via <https://eurocarto2022.org/call-for-papers>.

Submitted abstracts will be reviewed by the scientific committee. If accepted, you will be invited to give an oral or poster presentation at the conference, and your abstract will be published in the Abstracts of the International Cartographic Association series. Selected abstracts will be invited to a full paper submission for a special issue of a cartographic journal, such as the International Journal of Cartography.

Topics

Selected topics are (but not limited to):

- Atlas Cartography
- Big Geo Data Handling
- Cartographic Art and Design
- Cartography and Education
- Cartography for Disaster Management
- Generalization and Multi-scale Representation
- GeoAI and Machine Learning
- Geospatial Analysis
- Geovisualization and GeoVisual Analytics
- Location Based Services and Ubiquitous Cartography
- Map Use, Usability and Cognition
- Open Source Geospatial Technologies
- Semiotics and Map Design
- Spatial Data Infrastructure
- Thematic Cartography
- VGI, Crowdsourcing and Citizen Science
- Visualization of Statistical Data
- Web Cartography and Map Services

Important Dates

Deadline for submissions: 30.4.2022

Notification of acceptance: 30.5.2022

Deadline for Early-Bird-Fees: 31.5.2022
