

**LAUGH, BRODY, LAUGH! – ENGLISH STAND UP COMEDY | WEDNESDAY 11 March 2015 | 8PM+**

On Wednesday 11 of March, [Brody Studios](http://Brody Studios) features the ninth in the series of English comedy nights.

Our ninth comedy night features international star Stephen Grant in a 'One Man Show'. A repeat award winner of Best UK Comper (4 times nominated), Stephen Grant is one of the hardest working comedy performers and writers in the UK. He is the host of the Krater Comedy Club at Komedia, which has won Best Comedy Venue in the south for an unprecedented 11 times and a regular headliner at the Comedy Store in Leicester Square. He possesses an energy and intellect which combined with his eight years in the corporate world make for a top notch host and entertainer for any event.

Stephen still finds the time to headline and MC gigs all over the country, as well as being a regular guest on The Cutting Edge at the Comedy Store, deputizing presenter on BBC Southern Counties Radio, warming up and performing on some of the biggest comedy shows on TV. Stephen has written for Bob Beckett on Mock the Week. He has also written for Russell Kane on Live at the Electric as well as for Lee Nelson's Well Good Show for Avalon TV and Seann Walsh for Channel 4's Stand Up For The Week.

*"He's famously pedantic, relentlessly logical and with the kind of comedy vision that can see round corners...you're never more than 15 seconds away from a really good laugh" – Chortle*
